

Camping Program Committee
Criminal Background Checks Guidelines

All staff and volunteers at BYM Camps will have background checks conducted in order to help assure that individuals with a history of certain criminal activity are not in situations which place children in potentially harmful situations.

Criminal Background checks will be conducted on all employees and volunteers.

Individuals with charges falling within the following categories will not be allowed to work or volunteer at camp:

- Any type of aggressive incident against another individual
- Any type of stalking or threatening incident against another individual
- Any misuse of weapons
- Any crimes involving behavior toward children, including pornography
- Any crimes related to production or distribution of drugs within the past 10 years
